Juried and Judged by:

Sue Archer, NWS AWS TWSA

Sue combines her enjoyment of the intricate process of drawing with the wet on wet approach to watercolors. Most of her work is representational with a strong emphasis on color and design by simplifying a subject's light and shadow patterns. Using a close-up view, she accentuates the dynamic interplay of positive and negative space. Her present work explores the simplifying of the shapes of fruit and vegetables and the use of textural elements.
