## From the President's Sketchbook by Marilyn Johansen, GCWS President

Inspiration? Where does it come from?  
If you look it up, the definition of Inspiration is:

*From the Latin meaning "to breath into."  
Refers to an unconscious burst of creativity in a  
literary, musical or other artistic endeavor.*

Many artists and musicians have used Muses to help them with this inspiration. Find your Muse, your inspiration in a workshop or another artist's demonstration or being around other artists and beautiful scenery during a paint-out.

Use your inspiration to create that wonderful painting that you will enjoy painting!

Happy painting!

## GCWS Scholarship Fund Update

We had a very successful March Flea Market again this year! At the March 19 General Meeting we were able to raise \$652 for the Scholarship Fund (this includes Paint-Around profits of \$195, the Flea Market profits of \$400 and the Raffle profits of \$57). The fundraising from that evening combined with our raffle profits from earlier meetings is how we raise money for the Scholarship Fund.

GCWS would to thank everyone who donated art supplies, helped with the sale, bought items at the flea market and purchased raffle tickets this year! We have reached our goal of \$1000 for the scholarship fund!

**THANK YOU FOR YOUR SUPPORT!**
