

Student Supply List 2021 – Jean Pederson

Paints

As an artist with experience, you will probably have established colour choices that you enjoy painting with. I encourage you to continue to be true to yourself and use the paints that you are comfortable with. I have some basic colours that work for me. You may want to experiment with them if they are not part of your pallet already. Workshops are designed to gather information and to try new ideas; if you do not have all of these items you might share with your neighbor or try it when you get home. I have 6 transparent colours, a warm and cool red, yellow and blue with supplementary pigments for good luck!

Please have your phone camera available as well as a viewfinder. If you do not have a view finder, cut two L shapes out of paper to use as a viewfinder.

It would also be handy to have 3 Copic felt pens in grey tones, light medium and dark values.

Minimum colours transparent warm and cool red, yellow and blue.

Brushes

An assortment of sizes in round and flat shapes. I do recommend that you have some larger brushes in your assortment (1", 2").

140 lb paper several sheets

Drawing paper, sketchbook.

(* Indicates important supplies. You may want to share some of these items with friends)

These are products that I use in my practice. Please bring what you have and feel free to try the products on my list.
